Global Women Christian Chamber of Commerce Embassy President, Dr. Lydia Gonzalez, honors the legacy of President Nelson Mandela and salutes "**Happy Freedom Day South Africa!**"

To the people of Africa and to the world!

Nelson Mandela, grandson Africa Ambassador Siyabulela Mandela, Team Leader at Journalists for Human Rights

Happy Freedom Day South Africa!

On this day 27 April 1994, Nelson Mandela and his generation led the previously disenfranchised groups, the Coloreds, Blacks, and Indians to cast their first vote as free people after years of subjugation, racial oppression, and slavery by those who proclaimed themselves as a superior race during colonialism and Apartheid in our country.

In his inaugural address in May 1994 as the 1st democratically elected president, our nation's father posits that 'We understand it still that there is no easy road to freedom.

We know it well that none of us acting alone can achieve success.

We must, therefore, act together as a united people, for national reconciliation, for nation-building, for the birth of a new world.

Let there be justice for all.

Let there be peace for all.

Let there be work, bread, water, and salt for all.

Let each know that for each the body, the mind, and the soul have been freed to fulfill themselves. Never, never and never again shall it be that this beautiful land will again experience the oppression of one by another and suffer the indignity of being the skunk of the world.

Let freedom reign'. #FreedomSA #Reconciliation #ChangeTheWorld
